

<p>Haiku a Day Special Sticker Version Issue 49 — July 2009</p>	<p>Stickers aplenty May you use them wisely and Make things more pretty</p>	<p>Five years of haiku. Hurray! Special issue idea thanks to Melissa Dettloff.</p>
<p>For more information, or to see back issues, go to http://kula.tproa.net/had/</p>	<p>Trades welcome, contact for more info: Thomas L. Kula PO Box 980461 Ypsilanti, MI 48198 kula@tproa.net</p>	<p>1 July 2009 At work this morning I blasted 'O Canada' I need a trip soon</p>
<p>2 July 2009 A photon hits glass It slows a bit, and bending Leaves by a new path</p>	<p>3 July 2009 A pleasant day had Errands ran, a bit of rain I love these days off</p>	<p>4 July 2009 While in a parade There is nothing finer than Drive-through espresso</p>
<p>5 July 2009 Metal forged, graceful Curves describing a sharp arc Force cuts, wickedly</p>	<p>6 July 2009 What a pause it gives Bits flowing by my control I'm surprised it works</p>	<p>7 July 2009 Not sure what I ate But it knocked me out hardcore I stay home today</p>
<p>8 July 2009 People atwitter Much ado about nothing What's same is the change</p>	<p>9 July 2009 Tape, sticking to things But not sticking to itself My mind kinda hurts</p>	<p>10 July 2009 Week draws to an end Friday afternoon, work done I just want to go</p>
<p>11 July 2009 What more do I need? Lists of things a mile long And I forget one</p>	<p>12 July 2009 With each turn a creak Metal whines to be replaced New bottom bracket</p>	<p>13 July 2009 At the last minute I do all of my best work Focus, no dawdle</p>
<p>14 July 2009 Network slow, grinding Bits transfer lacklusterly I need more bandwidth</p>	<p>15 July 2009 The talk that one hears When interesting folks meet Music to my ears</p>	<p>16 July 2009 It all snaps in place Layout done, things lining up I finish and sigh</p>
<p>17 July 2009 Printing twenty-five I notice the misspelling How did that sneak through?</p>	<p>18 July 2009 This day was well spent: Twelve hours, forty artists And a lot of beer</p>	<p>19 July 2009 A year more living All I do is make cupcakes And get on with life</p>
<p>20 July 2009 I hate computers Which works out right in the end Because they hate me</p>	<p>21 July 2009 This module sucks Multiple rx_init It should not do that</p>	<p>22 July 2009 In a basement damp Water, shattered by a ball Bike polo brings light</p>
<p>23 July 2009 Sometimes I wonder: Should I have stayed back in Ames? It was right to leave</p>	<p>24 July 2009 The nothing evening Some tea, then holed up at home Stuck in old man mode</p>	<p>25 July 2009 Unexpected treat A can of cashews, frozen Tasty cold nuggets</p>
<p>26 July 2009 Dishes in stages The mind wanders, a sink done A new way to clean</p>	<p>27 July 2009 It is sad, really Slept well, yet have no gumption Do I need less sleep?</p>	<p>28 July 2009 Down with pants, I say Kilts are more comfortable And easy to make</p>
<p>29 July 2009 Mix CD promised Months ago delivered now Better late than not</p>	<p>30 July 2009 Strategy, planning Lines of defense on a map Resist the zombies</p>	<p>31 July 2009 Foamy, cold and black Water dripping down the glass Iced coffee, so good</p>
