1 May 2010

The real labor day
Happens on the first of May
Despite what they say

2 May 2010

I don't mean to rhyme
But sometimes it just happens
Life works out that way

3 May 2010

Yards of cotton, twist
Warping and wefting a weave
In turn, a new shirt

25 May 2010

The Land of Lincoln
An open sky above us
Past Indiana

26 May 2010

What crafty folk put
Tortellini on Pizza?
It's tasty madness!

27 May 2010

Once lost is now found
Dollar bill in my pocket
Backtrack, on sidewalk

28 May 2010

Shed of fireworks
The promise of big booms draw
The pyro in me

29 May 2010

Time zones screw me up
Even just one hour off
Throws off my routine

30 May 2010

Into the fence: Slam!
Well, that front fork is messed up
No polo today

31 May 2010

A window, open
To catch what breezes it may
The outside comes in

4 May 2010

The jar, long hidden
Not enough mustard to use
Too much to dispose

5 May 2010

Forgetting my lunch
I go outside to find food
Why must I return?

6 May 2010

See also, I'm told
A page that I can not find
I hate all vendors

7 May 2010

Hello there, weekend
I've been missing you all week
Let's make this one last

8 May 2010

Sweet old lady with
Best Damn Carrot Cake Ever
Gets me ev'ry time

9 May 2010

Detritus collects
Nooks and cranys become home
For debris long lost

10 May 2010

On the way to work
People are like idiots
I will hate this week

11 May 2010

Bolts, nuts, strewn about
A box falling disaster
The floor a tableaux

12 May 2010

Middle of the street
A cat sits, staring at me
Bored, it wanders off

13 May 2010

School bus yellow car
You are the ugliest thing
Who picked your color?

14 May 2010

Giving a talk soon
I should probably write it
Do it tomorrow

15 May 2010

The days, longer now
Still feel as full and hectic
Calm them, summertime

16 May 2010

Too many movies
Or perhaps there's not enough
All of them look dull

17 May 2010

To-do lists make light
Piles of tasks to be done
Rounding up my life

18 May 2010

At a small table
Caffeine fuels cogitation
Work fuels relaxing

19 May 2010

Mid-week out too late
Makes for a painful Wednesday
I hate everything

20 May 2010

Floating in the wind
I am but a simple leaf
Trying to stay calm

21 May 2010

From thin filaments
A tenuous connection
A web, billowing

22 May 2010

Arranged in a row
Three tacos beckon to me
Tasty temptation

23 May 2010

Hours in the sun
An idiot, no sunscreen,
Quickly growing red

24 May 2010

Laundry late at night
When I should be sleeping, chores
Keeping me going
