1 May 2011

Where's my Wobbly pin?  
The day I want to wear it  
I can't find the thing

2 May 2011

Why, deviled eggs, why?  
In my thoughts at 2 a.m.  
You poison my mind

24 May 2011

A search for lilac  
Mind thinks it's where it isn't  
Going in circles

25 May 2011

Bright yellow dry shell  
Like a beacon, defiant  
Grey rain batters in

26 May 2011

I stare, things make sense  
I start to write them down so  
They keep making sense

27 May 2011

Twelve-thousand days here  
Seems more memorable than  
A once a year thing

28 May 2011

The air, growing still  
No longer cools; I relent:  
Air conditioning

29 May 2011

Thunder strikes nearby  
The pool, still cold, could use it  
Instead, we grill out

30 May 2011

Alone at the Mug  
An iced Americano  
Is my company

3 May 2011

When did that happen?  
I forget not just comings  
But things that occurred

4 May 2011

Oh, how I miss thee  
The famed Veggie Super Dog  
You are far away

5 May 2011

A soft glow, bright flare  
White curls up, becomes grey  
Words lost by fire

6 May 2011

And now what movie?  
But that just sounds boring  
Too many choices

7 May 2011

These bits don't mean that  
Something else entirely  
And now I'm confused

8 May 2011

How did this week fill?  
Things to do every night  
Means a busy life

9 May 2011

The awesome driver  
Finds late night Mexican food  
A post Gigi's trip

10 May 2011

The thought of breakfast  
Weighing heavily, a pause—  
Lunch time already

11 May 2011

The Sun and my bed  
Should not be near each other  
Curse the morning light

12 May 2011

Wee little quinoa  
When cooked, tiny tails pop out  
Indicate doneness

13 May 2011

Flaming Lips rock out  
At the Filmore Theater  
After, veggie dog

14 May 2011

New career perhaps?  
Tend bar at boss' party  
Cute gay guys give tips

15 May 2011

The lure of laundry  
A faint, distant siren song  
Defeated by sloth

16 May 2011

Some talk of robots —  
Silent on killer lasers  
What nonsense is this?

17 May 2011

Long walk in the rain  
Washing all my thoughts away  
The world is all right

18 May 2011

Let the mind empty  
And there, in the void, calmly:  
Just dream of tacos

19 May 2011

“Why yes, that’s heavy”  
Screaming, my big toe whimpers  
Stupid bulky box

20 May 2011

A brilliant moon glows  
A luminous cave of clouds  
Providing a home

21 May 2011

To north Michigan  
Or at least heading that way  
Mt. Pleasant training

22 May 2011

At long last it ends  
Weeks of business over  
Now: not a damn thing

23 May 2011

Ersatz wishing well  
Will pennies fill this pot hole?  
My mission: find out
