A quiet bustle

Fills the city this evening

A honk chastises

Download this and previous HADs at the website, so you can print out your own (DIY, yeah!) or if you want me to send you one, send me your address, and maybe a stamp if you are feeling nice. Or send me something you've made — trades always appreciated, postcards are nice too.

1 March 2012

Piles of data  
Waiting to be analyzed  
Filling me with joy

2 March 2012

Groove becomes trenches  
Solving a problem a fight  
Mind racing, then win

3 March 2012

Dreary the gray breaks  
As blue, sliding from the sky  
Lights the ground below

25 March 2012

Somedays, Sundays fill  
With rapt productivity  
That is not today

26 March 2012

Zigzag lines growing  
Foreshadowing a migraine  
Only a shadow

27 March 2012

I'm often surprised  
At how quiet it can be  
Inside the city

28 March 2012

Walking through the park  
On a cool, early Spring day  
The world is all right

29 March 2012

I hear a faint beep  
And a forlorn buzzing sound  
Coming down the street

30 March 2012

Not a welcome sound,  
The motorcycle assholes  
Tearing through the night

31 March 2012

Stuck here at the end  
Thirty-one days passing by  
Tomorrow: April

4 March 2012

One less box around  
A pale victory compared  
To all the ones left

5 March 2012

Lightbulbs blowing out  
Not used to that happening;  
So rare now these days

6 March 2012

Flash crashing this site  
Lots of sad puzzle pieces  
I kick Chrome; go on

7 March 2012

Through the Fog of Code  
On the other side, sitting  
Pure lucidity

8 March 2012

Bright knot in my back  
You have no reason to be  
Go away now, please

9 March 2012

Files flashing by  
As data from here to there  
Shuffles through the net

10 March 2012

Strong taco cravings  
Can only lead to one thing  
Strong taco eating

11 March 2012

Fingernails creep me  
Dead things growing from the ends—  
Shit! There's toenails too?

12 March 2012

Subway, rocking, lulls  
Me with the promise of sleep  
Must not fall for it

13 March 2012

Ignoble Pigeons  
Divebombing, miss the sidewalk  
Fly away, unmissed

14 March 2012

Do you hear the song?  
Scored a million players strong  
City Symphony

15 March 2012

The crave for a slice  
Is a strong longing today  
No pizza this week

16 March 2012

Falafel Friday  
So sublime in its beauty  
In purpose, noble

17 March 2012

Layers and weaving  
A warm dark cave in softness  
Makes a place to sleep

18 March 2012

Run out of coffee  
Time to get the day going  
Many things to do

19 March 2012

Quiet thoughts nagging  
In the back of the head break  
Through and make antsy

20 March 2012

Beware the sidewalks  
Angry with all the stepping  
They try to trip you

21 March 2012

Streetside sentinals  
Watching you, counting seconds  
Their wrath brings tickets

22 March 2012

The thunk of relays  
Keeping me safe each morning  
Holding back traffic

23 March 2012

Metal oracles  
Divine wisdom in the air  
Providing guidance

24 March 2012

Giant bee buzzing  
In my living room, confused  
Windows confound it
