

HAIKU A DAY

Let the rays go down

Let the day time end sooner

Winter brings night time

Issue 98: August 2013

ST. JOSHUA NORTON PRESS

Mathom House by the Cloisters | The People's Republic of Ames

It's fitting that when I finally get around to putting the August issue together, we're getting a mini-summer here in NYC.

Download this and previous HADs at the website, so you can print out your own (DIY, yeah!) or if you want me to send you one, send me your address, and maybe a stamp if you are feeling nice. Or send me something you've made — trades always appreciated, postcards are nice too.

1 August 2013

With a grinding POP!
The blender gives up the ghost
To a better place

2 August 2013

Your sheets are cotton
Simple, white, and with no fuss
Anything else pales

3 August 2013

A subway ride away
An awesome band is playing
There on the platform

25 August 2013

A solid dresser
Does not move that easily
Short pain for long life

26 August 2013

It is not painless
But a complete scrubbing gives
Joy beyond belief

27 August 2013

A siren, drawling
Lazily asks, move aside
Slacker firetruck

28 August 2013

Getting in my way
Swarms of students move slowly
Blocking the sidewalk

29 August 2013

Shower to get clean?
Or a bit of a reprieve,
From the day ahead?

30 August 2013

In a raven's claw
The head of the poet Poe.
"You say nevermore!"

31 August 2013

Doctor Octopus
Operates two at a time
Tentacles to spare

4 August 2013

A bumbling robot
May be more useful than this
Crappy help system

5 August 2013

Hunger the best sauce
Or at least hallucogen
PB-Cheerios

6 August 2013

Flags change direction
The scent of the air, subtle
Becomes sea salty

7 August 2013

A friend off for years
A whole evening of dinner
And of catching up

8 August 2013

A combat gymnast
Second Pommel Horse Brigade
Jumps in formation

9 August 2013

Aquatic pounding
The river, running high, spills
The drains do not hold

10 August 2013

A beautiful night
Gorgeous park, favorite band
I love living here

11 August 2013

A pile of kale
Sauted, sesame oil
Food for the whole week

12 August 2013

Distant cargo floats
Grabbed by the sky, it settles
One more ride then home

13 August 2013

On a pedestal
You have greater potential
Do not squander it

14 August 2013

A hungry city
Somehow swallowed up my phone
Glad for insurance

15 August 2013

Waiting for a phone
As the clock ticks, time slows down
Call me when its here

16 August 2013

An evening, empty
Countless possibilities
Should I stay or go?

17 August 2013

Monochromatic
The first light of dawn breaking
Pale hint of the day

18 August 2013

Data injustice
File strewn about the place
Clean out the homedir

19 August 2013

The front of the train
Flying off into the sky
Dawn, the aqueduct

20 August 2013

In a pinch, fake it
You'll probably get away
There's nothing to lose

21 August 2013

Victory, defeat
Sometimes things are both of them
Life is not simple

22 August 2013

Fair distribution
A bit here, and a bit there
Good, but not much fun

23 August 2013

A low triangle
Watches the traffic go by
Sitting, biding time

24 August 2013

Fire a privilege
Use its power carefully
Or you will get burned
